Fast track your research and publishing

Accelerate the pace of your research with the data acquisition systems cited in more published papers*. ADInstruments PowerLab® systems are easy to use, intuitive and powerful, allowing you to start and progress research quickly. The system’s flexibility enables you to add specialist instruments and software-controlled amplifiers for your specific experiments. What’s more, LabChart® software (included with every system), offers parameters tailored to individual applications and unmatched data integrity for indisputably trustworthy data.

When there’s no prize for second place, ADInstruments PowerLab systems help you to publish. First.
